Come spend time with us at Mid American Motor Plex and explore what you and your machine can do within the safety of a closed course with a safety minded group.

- **Everybody goes the same way.**
- **No trees, signs, poles, or dogs.**
- **Control riders and instructors insure safe practices.**
- **Strict rules tailored to your group level for your safety.**
- **Same rules and approach that was used at last years KCBMW sport touring day and HPT**
- **Instruction from the man. Nobody knows how to put it together on a BMW like Nate – nobody.**
